 SERIES

Aluminum Railing Systems

Secondary Handrail

Offering exceptional versatility, the Arabian Series is unique, heavy wall, extruded aluminum railing sold in boxed sections.

Currently available in 36" and 42" heights, and 6' and 8' lengths in powder coated Black, White and Bronze, the Arabian has a full complement of easy to install brackets offering both straight and 32° to 36° step railing applications.

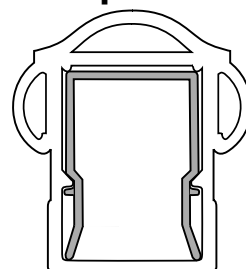

LIFETIME WARRANTY

Railing Profiles

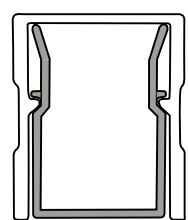

Unique full length PVC inserts in both the top and bottom rails allow a faster, "screwless" assembly and create a tight, quiet fit.

Top Rail

1 3/4" x 1 7/8"

Bottom Rail

1 1/4" x 1 1/2"

Drains in the bottom rail allow any moisture to escape.

Lifetime Warranty

All Arabian™ railing, posts, brackets, and connectors are warranted against failure of either the materials used, or the manufacturing process, for life. This warranty does not include slight changes in coloration due to a natural aging process. It also does not include any damage or failure due to misuse or abuse.

All Arabian™ Railing Sections are tested in accordance with the IBC 2003, International Building Code® and the IRC 2003, International Residential Code®.
