50% Off Hardware – Summer Promotion on Panasonic Phone Digital IP phone voicemail systems!

All that is required for this special pricing is your old phone system trade in and your purchase decision within 30 days. The quote is based on re-using existing cable...if reuse cable is NOT available a site survey will be required.

Our proven track record of 27 years makes us an excellent choice to provide telecom hardware/carrier service and support for many years to come!

This is the best time to purchase!! We will include our complimentary I.E.L Certified review, which includes of all your current carrier expenses -- Local, Toll callings, High Speed Internet, Remote site, Lan/Wan connections, Cell phones and Website search engine optimization... Don't be surprised if our review finds savings to PAY for all your new equipment!

We provide and included ALL PROJECT MANAGEMENT to insure that both the equipment and the service is installed correctly - and on time!

We look forward to providing you with years of service.
